Skin Care Treatments

Signature

- **GTA Magnifique ... \$200**

A signature facial using our GTA exclusive BOTANIFIQUE product line that combines basic techniques with massage of face, neck and décolletage.

- **GTA Gold 24k ... \$350**

Antioxidant gold in a 24k gold-based mask, using gold leaf massaged gently onto your skin, finished off with drops of serum with colloidal gold for a regal skincare experience.

Pigmentation

- **B&B Bright & Beautiful ... \$200**

Created to reduce dark spots, age spots and skin blemishes, our B&B facial combines citric acid from lemon juice and peel in a brightening cleanser, mask and moisturizer to even out skin tone.

- **Melaglow ... \$200**

Recommended for hyper-pigmented skin, using natural skin lightening products with gentle blending extracts, amino acids and vitamins.

Acne

- **Acne B Gone ... \$200**

An antibacterial cleanser, reinforced with plant-based anti-inflammatory ingredients and a nourishing mask fortified with salicylic acid maximize this acne-reducing facial.

Rosacea

- **Infra Calm ... \$200**

LED light therapy is behind this soothing service designed to not only protect the skin from flare-ups, but to reduce broken capillaries.

Gentlemen

- **Razor Glide ... \$200**

This cure for razor bumps, uses a gentle glycolic and salicylic acid-based facial scrub. The treatment is finished off with a skin-soothing balm, a blend of spearmint leaf and rejuvenating ginger.

Microdermabrasion

- **Microdermabrasion Facial ... \$200**

Our crystal free, diamond tip microdermabrasion facial allows a deep pore cleansing of the skin and helps regenerate skin cells and enhance collagen production.

Chemical Peels

- **Vi Peel®* ... \$350**
- **The Perfect Derma™ Peel* ... \$350**
